

62nd *Historia Medica*
presented by the Bernard Becker Medical Library
in collaboration with the Center for History Of Medicine

“NATURE AND THE NAZI DIET”

Corinna Treitel, PhD
Associate Professor,
Department of History

Dr. Treitel will discuss her research on natural foods and farming in Nazi Germany. Why did the Nazi state encourage Germans to eat and farm more naturally? What role did medical professionals play in this effort? How does this episode help us understand nutritional prescription today?

Thursday, March 8
4:30 p.m.

Becker Medical Library
King Center – 7th floor

Free and open to the public / Refreshments served
